

The website now has a cleaner layout with a simplified menu and hero image. Contact details and social links are in the footer for easy access. Improved navigation ensures a smoother customer journey, while fonts and colors match the brand.

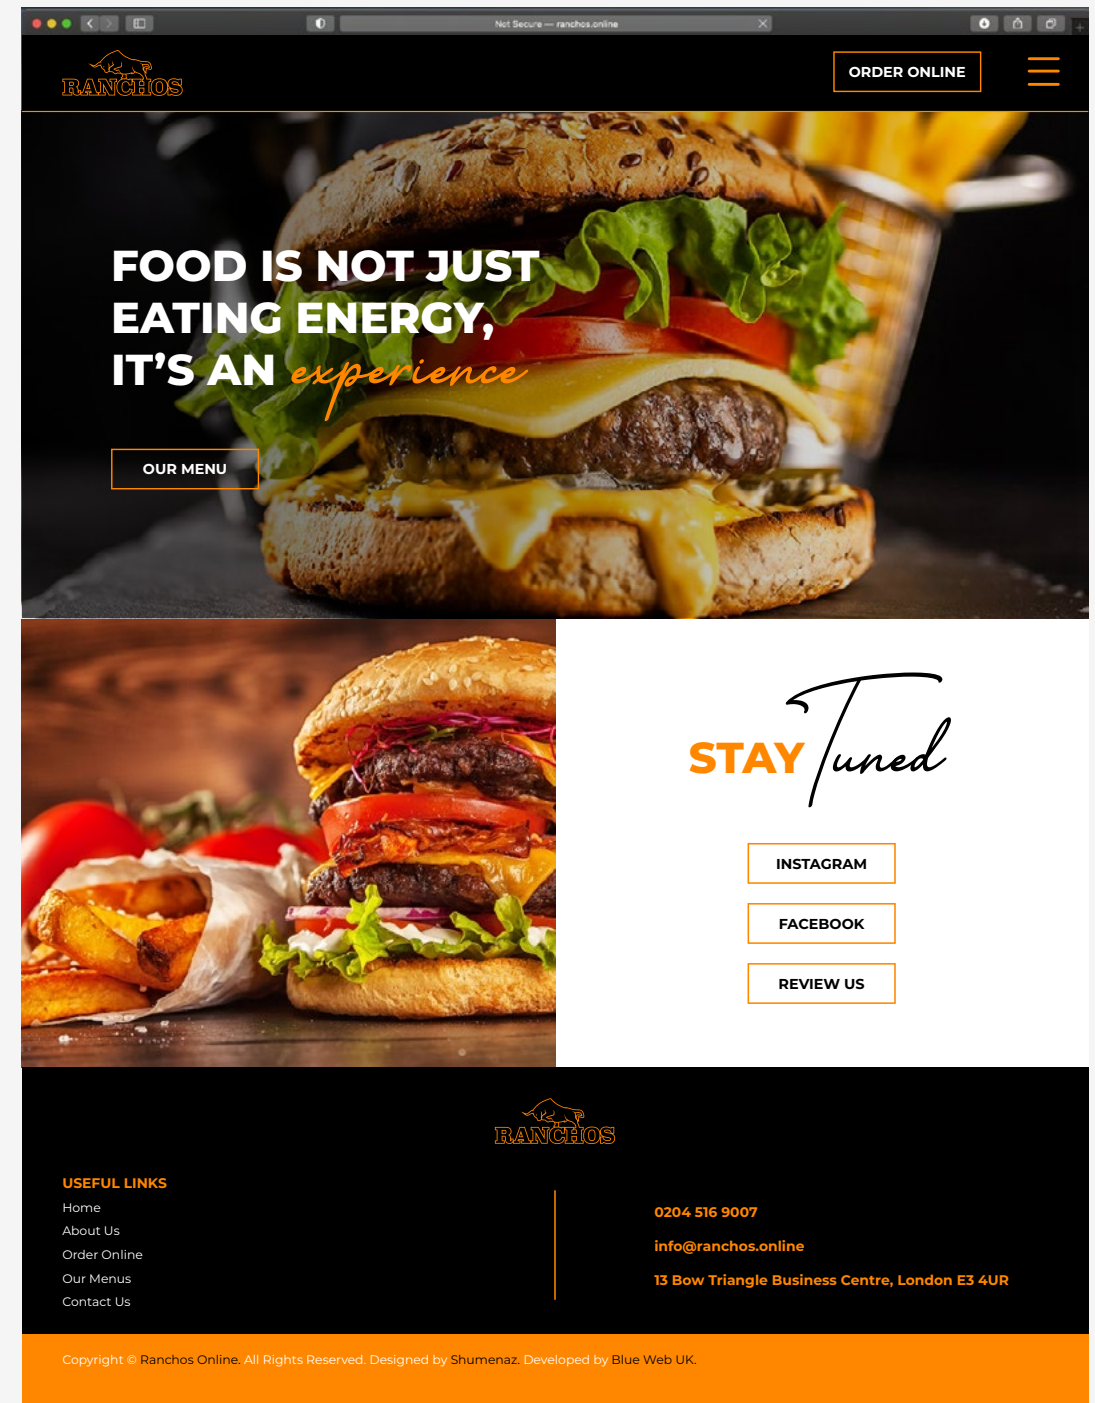

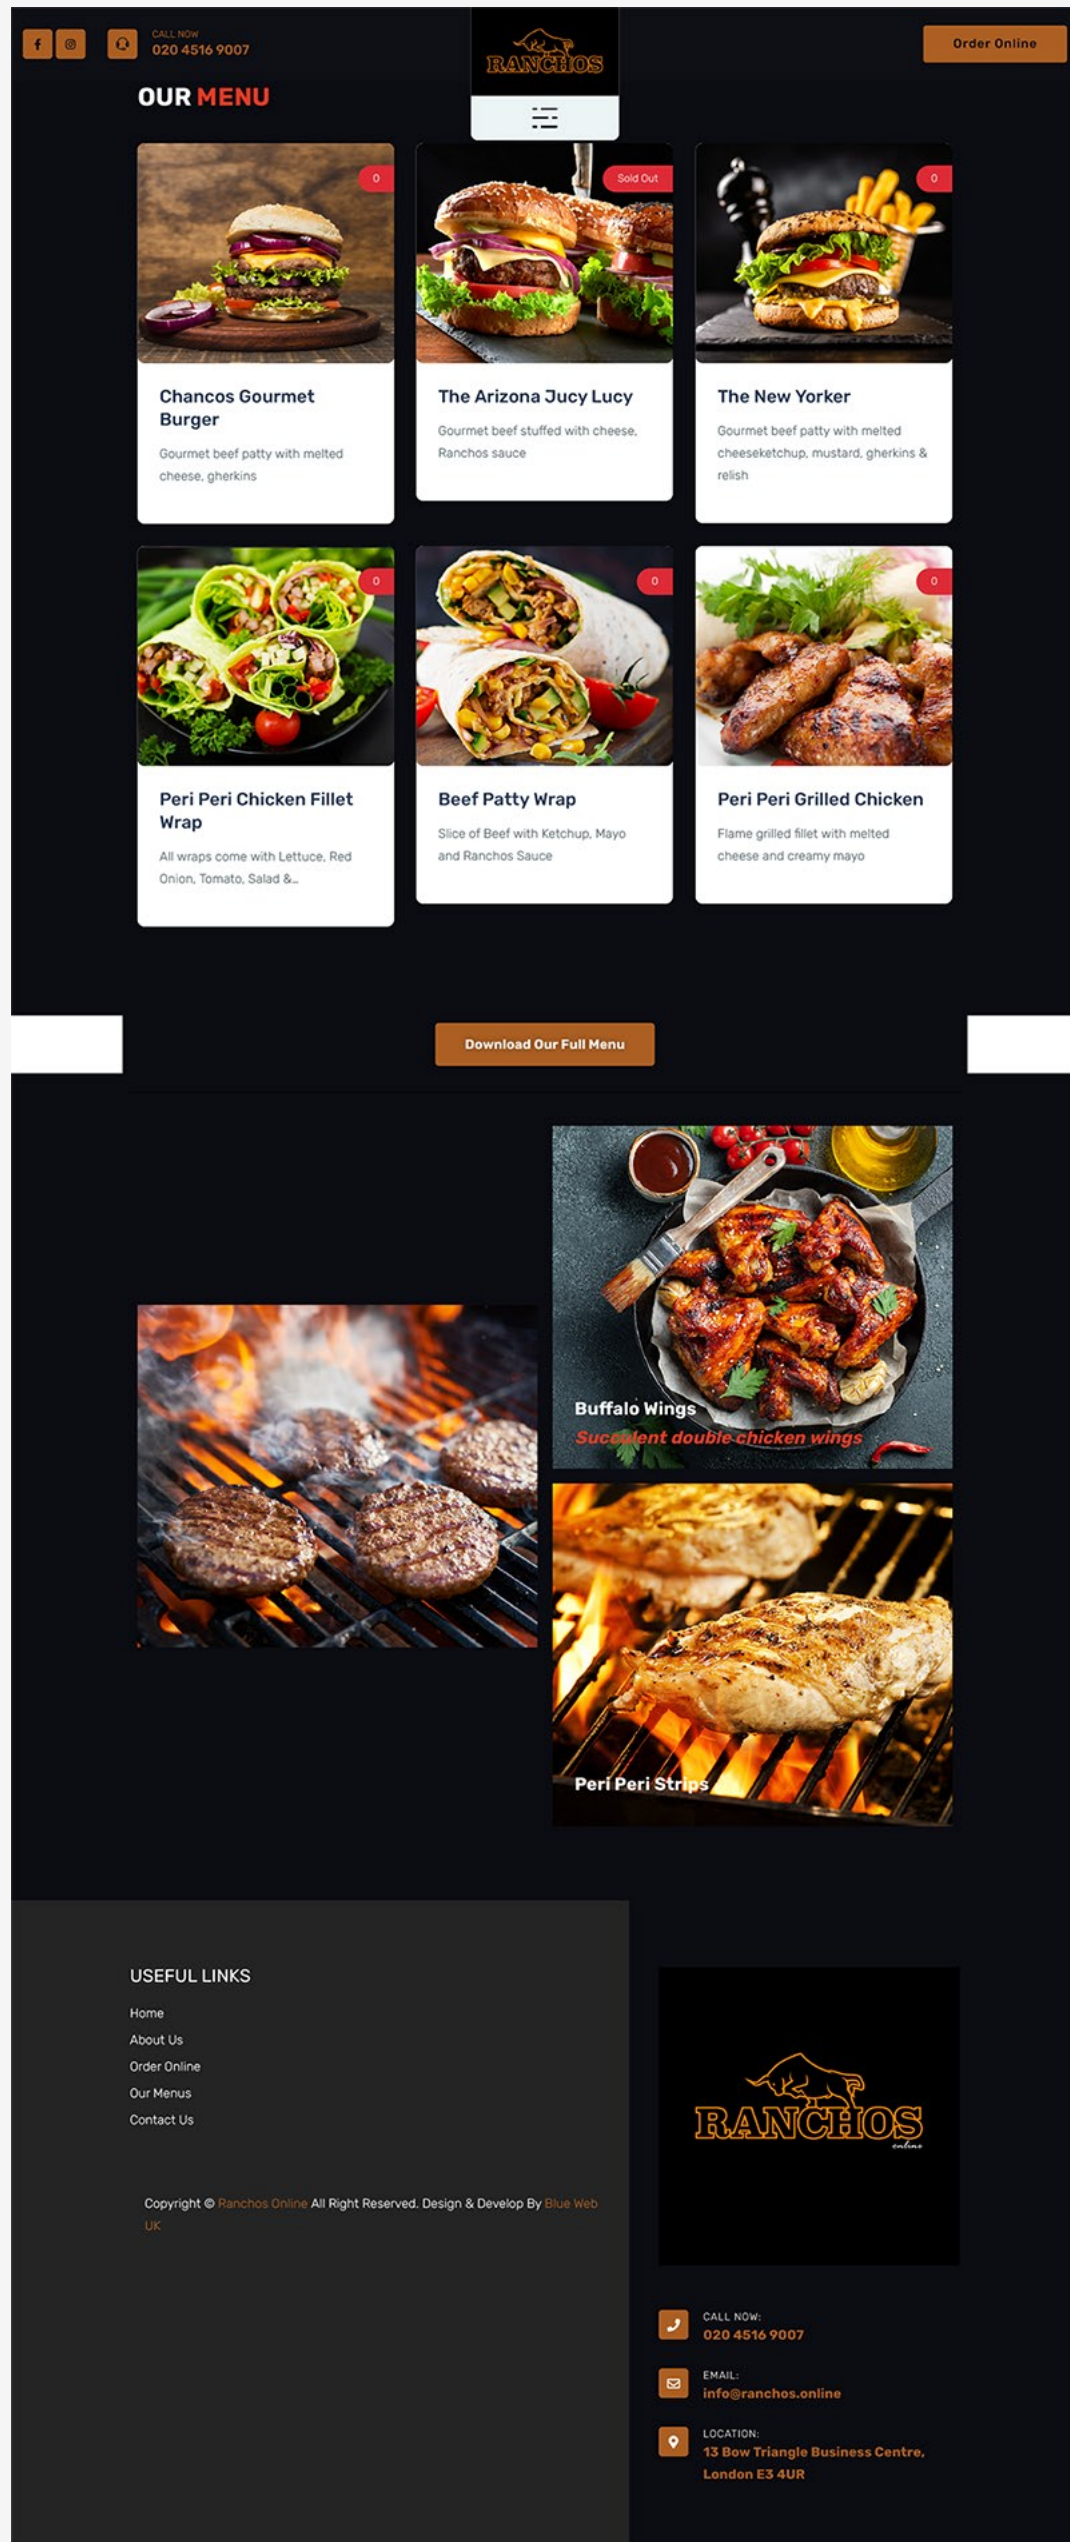

The simplified layout makes information easier to absorb. A brief business introduction adds a personal touch, highlighting key food regulations. Social media links match the homepage design, and fonts and colors stay true to the brand.

OLD DESIGN

OUR MENU

NEW DESIGN

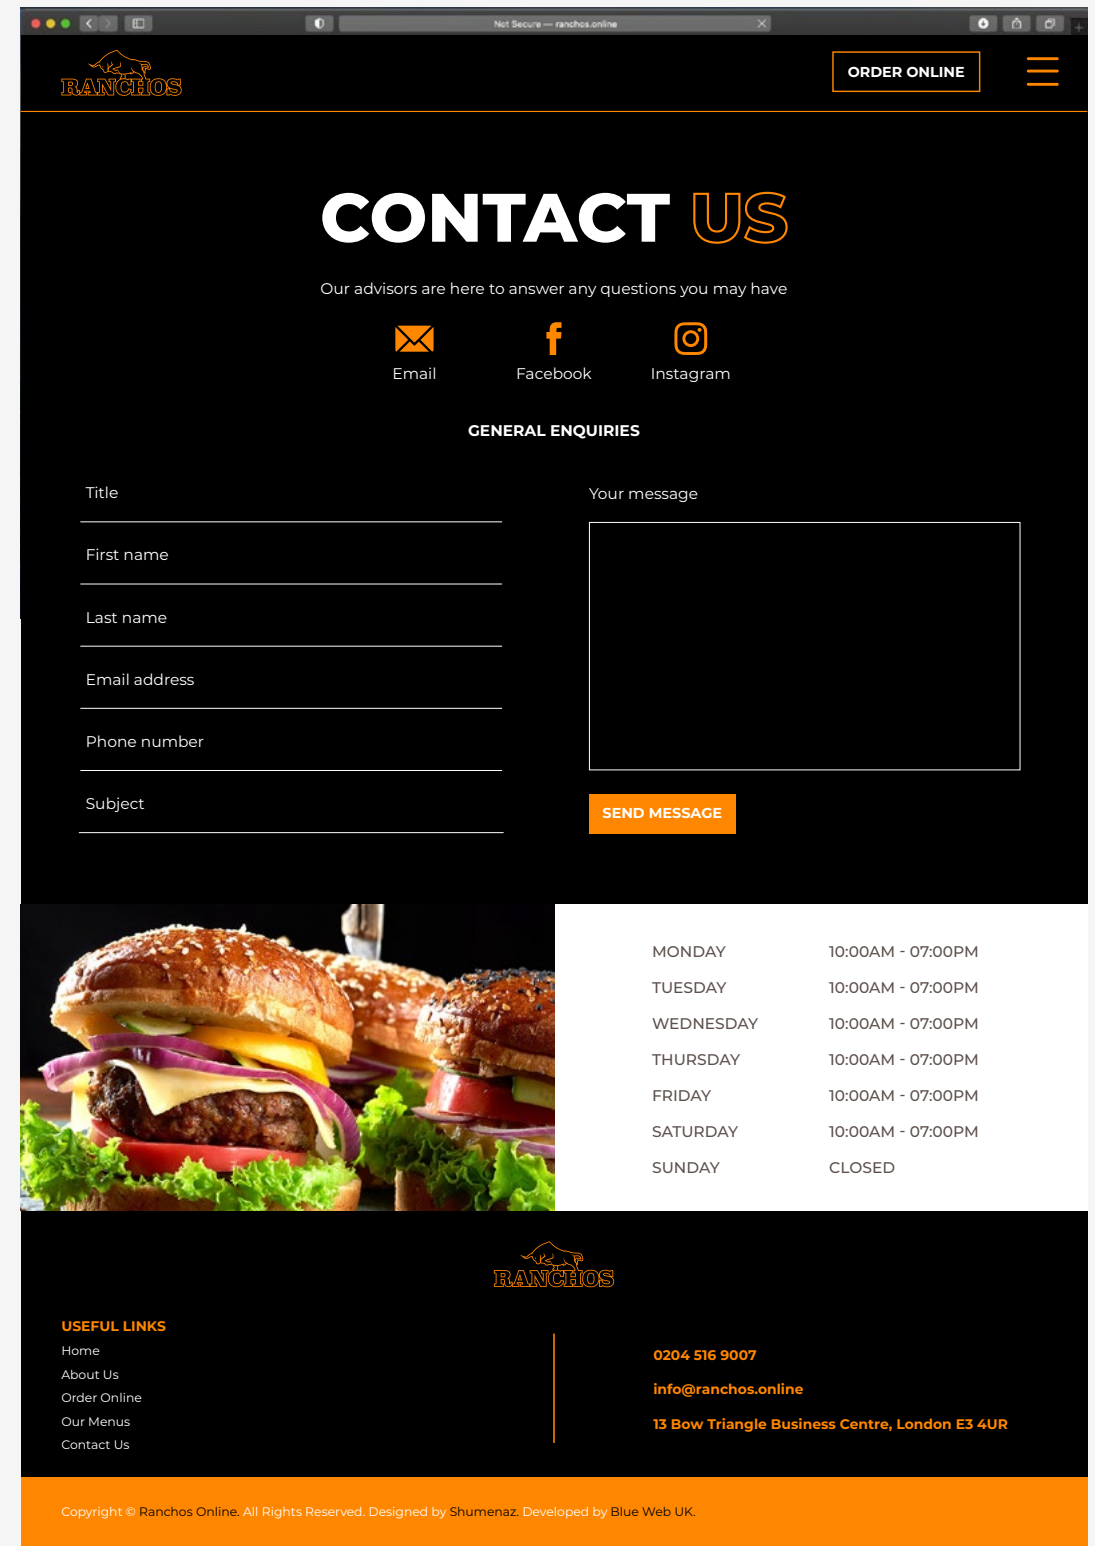

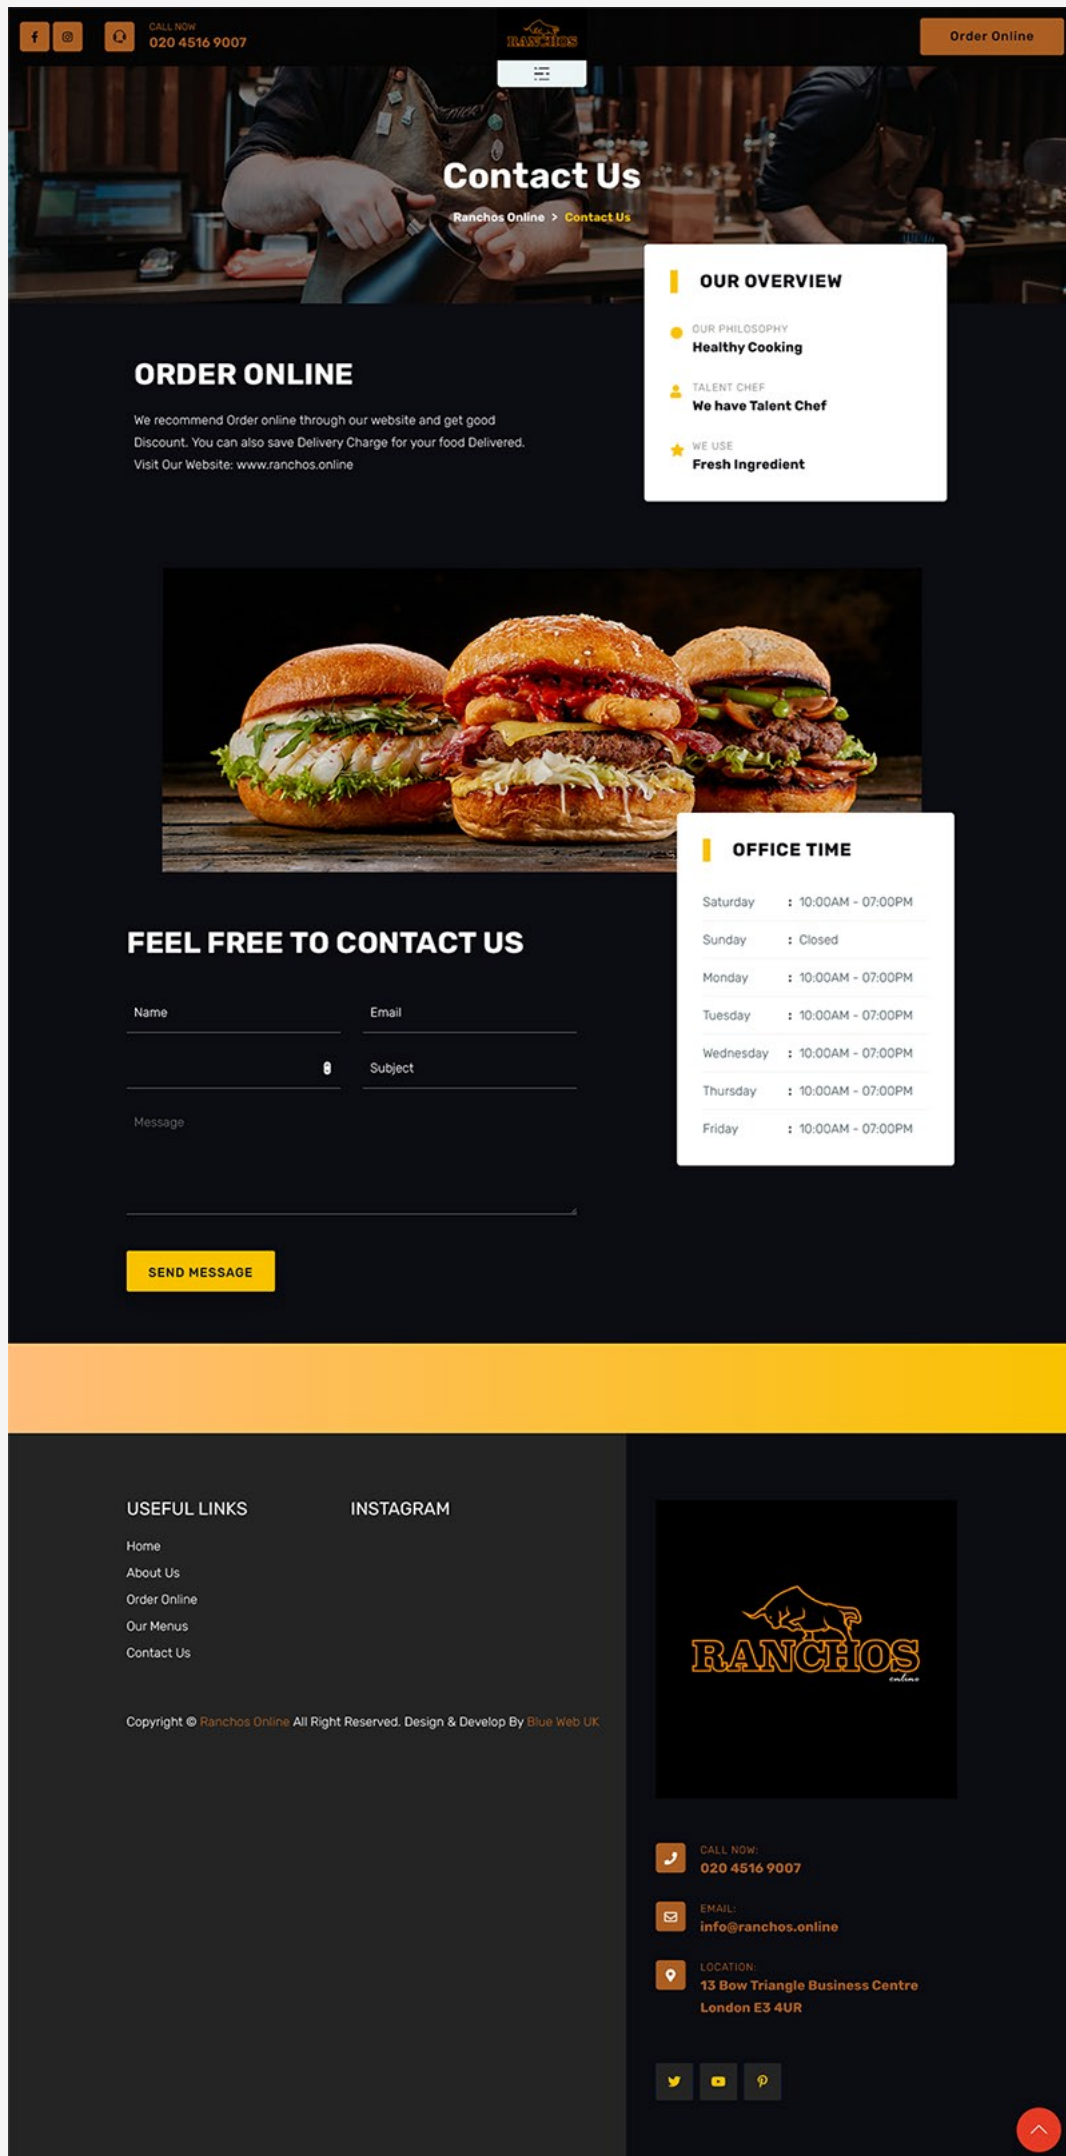

A call-to-action lets users download the menu as a PDF, keeping the layout clean and flexible for updates. Social media links match the homepage, and fonts and colours align with the brand.
